United Women of Rockland is a 100 % volunteer 501(c)3 whose purpose is to help women who receive a devastating health diagnosis. We receive funding through donations, fundraising and grants. We help to pay down bills for a woman who is ill. We also help guide the person through the many services that are available to them that they might not be aware of. Other things that we do are paying for house cleaning, arranging meals, arranging rides to doctors or for the children of the sick woman. We can provide a laundry service, contacts for wigs and even paying for wigs. There is so much we do and we need your help to spread the word about us. We are the only non profit service of our kind in Rockland County. We help a woman who is sick here and raise the money for help her and then the money is spent right here in Rockland County. Please consider paying it forward and donating to United Women of Rockland. You never know one day it could be a friend, loved one or even yourself who finds themselves in need of help.

Thank you for taking the time to learn about us. Attached is the information about one of our upcoming events. United Women of Rockland will be holding our fifth annual event "The Race" on Saturday May 11, 2019. To help raise money for our cause we will be having raffles and would like to be considered as a charity in which your organization donates to. If you would like to learn more about our organization you can find information on us through our website unitedwomenofrockland.com or our Facebook page.

Thank you in advance for your support.
